Subject: Misty Isle Farms Trust Water Rights

Gentleman,

The Department of Ecology recently accepted two water rights owned by Misty Isle Farms into the Trust Water Rights Program. Our letter of acceptance can be viewed at:
<http://www.ecy.wa.gov/programs/wr/market/trstdocs.html>.

You are receiving this email because I have you listed as local government contacts. RCW 90.42.040(5)(b) requires Ecology to notify potentially affected local governments when water rights are accepted into the Trust Water Rights Program. You do not need to respond to this email. This email is for notification purposes only. However, if you have any questions, please feel free to contact me.

Thank you,
Buck Smith
